

WYOMING SNOWMOBILE

# WRANGLER

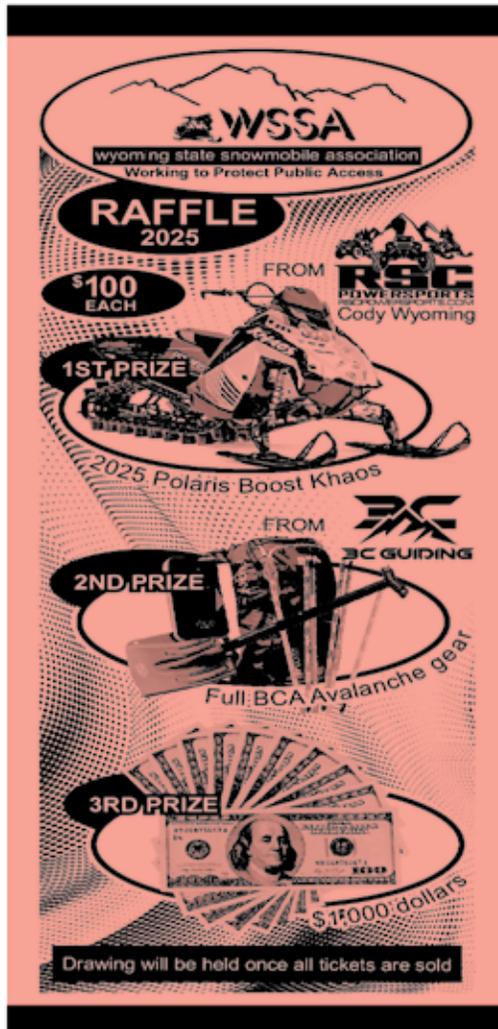

OCTOBER 2025

# These won't last long!

Buy a 1 in 350 chance to win one of these three great prizes!

Purchase your tickets from your nearest Wyoming State Snowmobile Club or Club Representative or you can contact any of the following WSSA officers/Reps for purchase information

Jay Slagowski, WSSA President  
{jslagowski66@gmail.com}

Todd Jones, WSSA Vice President  
{summitxm14@gmail.com}

Sunny Madden, WSSA Secretary/Treasurer  
{wssasunny@gmail.com}

Brandon Klemm, Committee chairman  
{bdklemm@hotmail.com}

Holly Sinclair, Awards and Fund-Raising chairwomen  
{wssaholly@gmail.com}

All proceeds to support the WSSA Outreach Program

## Do you know about Hannah's Chickens?

Do you know who the American Council of Snowmobile Associations (ACSA) is?

ACSA is our voice for snowmobiling on national issues. Many snowmobilers are mistaken when they think national issues have no impact on their snowmobiling. Across the United States there are thousands and thousands of miles of snowmobile trails on public and private lands. As well a thousands of acres of open riding on public lands. Will these lands remain open for snowmobiling in the future? Long term use of the lands is no longer certain. Only the unified

voice of the entire snowmobile community will help to guarantee the continuation of our sport.

ACSA is committed to the future preservation of our sport. We cannot do this without the help and participation of all snowmobilers. Assure the future of snowmobiling, become involved in ACSA today!

For a lot more information, visit the ACSA website: <https://www.snowmobilers.org/index.aspx>

What about the ACSA Mountain Riding Region Area group?

The Mountain Region Area consists of areas primarily associated with mountain-type riding. The Mountain Region Area and the Trails Region Area help facilitate and focus discussion, education and policy development for ACSA on priority issues and topics, as needed and identified by the Mountain Region Area and the Trail Region Area. The Regions act as a medium for the exchange of information and ideas related to Mountain Region and Trail Region issues and topics between Member State Associations, as well as to ACSA as a whole.

Why am I asking you these questions???

Well, Imagine, you are attending the ACSA Mountain Riding meeting in February. Everyone had a great day riding and now it is time for the ACSA Scholarship and ACSA Future Leaders Fundraiser. You walk into the room and find out that you are going to play bingo before the "Live Auction" for the items that everyone brought along for the occasion. As you pick up your bingo card you are handed a small rubber flying chicken for a "participation" prize.

As a refresher, the group is reminded, "We are here to raise

money for scholarships for the younger generation of snowmobilers, to send them to college or a trade school. We are also here to help fund the younger generation of snowmobilers to get them to events like this to keep them involved in our organization. They are the future of our sport."

There is a new gentleman attending the Mountain Riding meeting - he was introduced as "Uncle Mark", he became Uncle Mark to everyone. The youngest rider is a 14-year-old rider, Hannah. During

bingo Hannah happens to gather up 7 chickens (as they fly throughout the room) and she ties them together. Then when the "Live Auction" starts she sends these 7 chickens

flying towards the "Auctioneer". This happens to give the auctioneer something else to auction off. Midway through the auction, Uncle Mark stands up and poses a challenge to the group of folks in the room. He wanted to see more young people like Hannah at our next Mountain Riding meeting in February 2026. With commitment from the people in the room, a sizeable donation was made by Uncle Mark for the scholarship and future leaders of ACSA.

As the evening progressed a memento for Hannah's Chickens was born (pink is Hannah's favorite color).

You can now purchase a short or long sleeve "Hannah's Chickens" t-shirt and part of the proceeds will go towards the ACSA Scholarship and Future Leaders programs. Check out Hannah's Chickens shirts, here: [www.winterpinesdesigns.com/hannahs-chickens](http://www.winterpinesdesigns.com/hannahs-chickens).

Put this date on your calendar and join us for the ACSA Mountain Riding Meeting,

February 18-22, 2026

West Yellowstone, Montana  
Most folks arrive on Wednesday the 18th

Thursday the 19th is a Snowmobile ride

Friday the 20th is the Meeting, Auction, and dinner

Saturday the 21st we have another Snowmobile Ride

Sunday 22nd depart

Due to scheduling, some folks will arrive on Thursday the 19th

Friday the 20th is the Meeting, Auction and Dinner

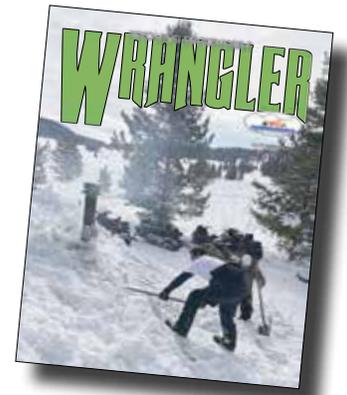

Saturday the 21st we have another Snowmobile Ride

Sunday 22nd depart

Need more information? Reach out to either Bert or Brenda Miller.

# WSSA President

JAY SLAGOWSKI

Fall has officially arrived in Wyoming, and we can all begin to shift our focus to many of the finer things in life. Our latest September storms have set the stage for some excellent hunting and fishing opportunities, and many of us will soon be matching wits with our favorite big game animals or traveling to the next high school game or just getting one last weekend camping trip in.

For me personally, fall becomes a rush, as I begin to realize all of the things I didn't get finished over the summer and there just doesn't seem to be enough time to do them all. The best news is that the snow is falling, and it won't be too much longer before we're back on the mountain.

Be sure to get your tickets for the WSSA Snowmobile raffle along with the other great prizes available to win and don't forget to buy your 2025 Snowmobile registration stickers the next time you're in town at the grocery store.

I'm going to get back to some of those last minute fall projects, but I hope you all had a great summer, and I'm looking forward to seeing you on the mountain.

Always look ahead.

# WSSA Secretary/Treasurer

SUNNY MADDEN

Hello everyone! I hope your fall is going well and you are getting ready for the snow to start flying. Have you seen the long-term winter forecasts?? I'm hoping they are correct and we get a ton of snow this season!

It's that time of year when clubs start meeting and collecting membership. Please forward those membership lists and dues on to me as soon as possible so I have all your members on the Wrangler mailing list. When you have a second, please go check out the WSSA website (<https://snowmobilewyoming.org/>) and take a look around. I'd love constructive feedback on anything that needs updated or ideas of things to add.

I am looking forward to the Denver Snow Show, October 24 and 25. WSSA will be sharing a booth with the Snowy Range Snowmobile Club again this year. If you are there come find us and buy a raffle ticket for your chance to win a brand new sled, avy gear or \$1,000!

Happy fall and think snow!

# Lander Snowdrifters

DARCI ANACKER

Greetings Snowmobilers! This fall season brings many wonderful fall colors and a hit of snow in the high country in Lander. We are looking forward to another good season of riding in the Wind Rivers and have started fall trail clean up in preparation. Along with continuing trail clean up, we will start stockpiling fire wood for the safety shelters and ensure they are ready to go. We are planning our fall highway clean up in Sinks Canyon in October. Hopefully we will continue to find only small amounts of litter.

We will have our second meeting of the season on November 13 at the Oxbow Restaurant: dinner at 6PM and business meeting at 6:45 p.m. Our Facebook site is updated and includes the 2025-2026 season membership forms.

Thank you to all of our business and associate members who continue to support the Snowdrifters each year.

## Deadline for the next Wrangler will be Nov. 3!

Please send all news and  
advertising to

ON THE WEB AT: [WYOTRAILS.COM](http://WYOTRAILS.COM)

Welcome to the Wyoming State Snowmobile Association and thank you for your sponsorship level donation!

The Wyoming State Snowmobile Association (WSSA) is an association made up of 17 independent clubs from across the state and is an active member of the American Council of Snowmobile

Associations and the International Snowmobile Congress.

The WSSA is the only group working full time to protect your snowmobiling access in Wyoming.

It is governed by a board of directors who are appointed by their respective clubs. Meetings are held a minimum of twice per year at varying locations around the state. Officers (President and Vice President) are elected every two years and are limited to two consecutive terms.

Your Bronze, Silver, Gold or Platinum contribution will go directly to supporting our primary mission of protecting, promoting, and enjoying snowmobiling in Wyoming today and into the future.

**50% OF YOUR MEMBERSHIP GOES TO "ACCESS WYOMING" LEGAL DEFENSE FUND**

What is Access Wyoming you ask? This is the funding raised by the WSSA and our supporting clubs that is set aside for legal defense needs such as Writing Comment letters to land management agencies, reviewing land management plans and travel management proposals that affect access to our riding areas and lastly, provide us with legal representation in the event of lawsuits and legal action where our attorneys are needed.

**50% OF YOUR MEMBERSHIP GOES TO WSSA "SNOWMOBILE OUTREACH PROGRAM"**

This program allows us to provide funding back to our Wyoming clubs for a variety of events and functions. Some examples include Trophies and awards for youth races, antique snowmobile show promotions, avalanche education and training and WSSA "swag" and information for club rides, banquets and fund raisers.

Being a snowmobile enthusiast in Wyoming, you know it's imperative to help us protect our snowmobiling heritage. As a Sponsorship level donor, you have recognized that to continue snowmobiling in Wyoming as we know it today, it is with financial support from people like you to organizations like the WSSA to continue working to protect our passion that is snowmobiling.

Sincerely Grateful,  
Jay Slagowski  
President WSSA

**{WSSA Sponsorship Application}**

**Bronze- \$250.00**

**Silver- \$500.00**

**Gold - \$ 750.00**

**Platinum - \$ 1,000.00**

# Sweetwater Snowpokes

ANGELINA PRYCH

The club is in our “slow season”; monthly meetings continue and scheduling the Avalanche Fundamentals class offered by the Bridger-Teton Avalanche Center and sponsored by Wyoming State Trails are the only activities on the agenda. The Snowpokes will have a season schedule out soon on [www.facebook.com/Snowpokes/](http://www.facebook.com/Snowpokes/) and at our website ([www.SweetwaterSnowpokes.com](http://www.SweetwaterSnowpokes.com)). Here are a few more photos from the Strawberry safety shelter and August fun run. The next club meeting is on November 4 in Rock Springs at the Holiday Inn.

Follow the Sweetwater Snowpokes at [www.facebook.com/Snowpokes/](http://www.facebook.com/Snowpokes/).

## CLUB REP. GEORGE PRYCH

Hello from southwest Wyoming. The weather has finally started to change with the morning frost showing up for a “quick! get ready – snow is coming”! With that in mind, the safety shelters are on line and ready to go at Blind Bull and in the Upper Green at Strawberry. By the way, the Dollar Lake Fire is 100% contained as I write this. Thanks to the Bridger Teton Forestry District for completing the fire cleanup and completion of fire ground tasks. S,o with that said, it’s that time of year to prep your trailers and run all your safety checks to get them ready for the road. That goes for your over-the-snow vehicles also. Everyone has their own routine for pre-season checks on equipment but don’t forget the most important piece equipment – your avalanche gear! Plan to attend an avalanche class if one is scheduled in your area. Remember to purchase and attach snowmobile stickers before you go riding. Snow coming soon! See you on the trail.

# Cody Country Snowmobile Association

**BERT MILLER**

Hi all,

Up here in Cody Country the leaves are turning a beautiful Yellow to Fire orange with snow starting to show up in the high mountain ranges. We have been working on the foundations for Fun Days. Our directors are working on many fun ideas to get a jump on things. We are really looking forward to the season and Fun Days.

We had a great work weekend at the end of September. We cut firewood for the Beartooth Safety Shelter and did all the necessary repairs as well. This would not have been possible if it was not for our great members. The Nielson family allows us access to their property to cut dead timber for firewood. Little Rock Inc. (the Lamb families) from Meeteetse does the trucking to move the shelter to the mountain. They also provided welders to do repairs with the steel that was donated by Production Machine in Powell. Dustin and Jenni Rosencrance helped us out with their Bobcat to do the heavy lifting. The Miller family for the use of the dump trailer and wood splitter, M&K Custom Wood in Cody supplied us with 6 - 5-gallon buckets of fire starter. A huge thanks to everyone listed above and especially to everyone who showed up to help get the work done. For the families that brought your kids, thank you! It is great to get them involved at all ages.

After a great day of work on Saturday we were all treated to a great meal of pork ribs and brats. Which was hosted by and cooked by club member Ed Higbie. Also thank you to our other club members who brought salads, beans, veggies and desserts. During dinner and after, while relaxing on the deck, a few tall tales and stories were told if you can imagine.

On Sunday we trucked the Safety Shelter to the Island Lake campground on the Beartooth mountains. From there we were able to set up the shelter and test the safety devices. We installed new batteries, set up the phone antennae, and the strobe light then we locked it up until there is enough snow to open up again. We even had time to mark hazard areas in the campground with yellow poles.

What truly made this weekend special was all our club members who were able to come help. Plus enjoying the evening with each other. THANKS TO ALL.

Coming up next month will be our Back Trail Cleanup!

# Casper Snow Gypsies

BECKY THORNE

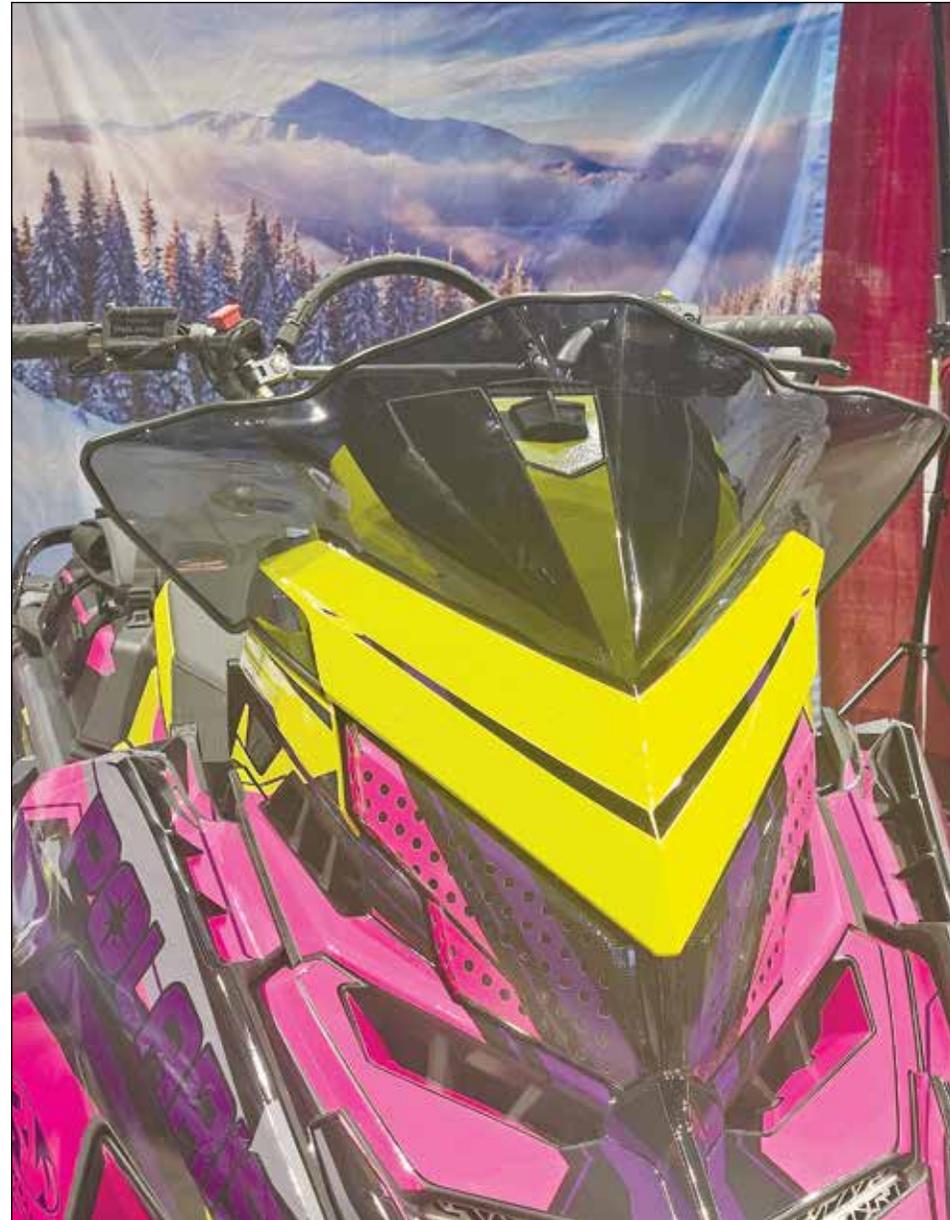

Fall is in the air! Cooler temperatures are upon us. We hope you all are doing well. This summer the CSG once again did the Fair and Rodeo parking, The Trail Mix Run and Wyoming Kid Fest.

Several members have been working on trying to keep our trails open with Casper Mountain being mostly private the trails cross private property and with new owners we are in danger of trail loss.

Our plans with hopefully a lot of snow will include poker Runs, club rides, Bingo Night, Christmas Party and more!

Upcoming events include our annual wood cutting Oct. 5, and Oct. 11 we have been invited to have a booth at the new Trail lodge at the Nordic ski Trail. It will be a great way for members to interact with other user groups.

Stay safe and wishing you all a safe riding season!

## Rev It Up Girls

JANICE ENOS

**Summertime and the Living's Easy:** This summer has been nothing short of unforgettable, filled with adventure, laughter, and community spirit. Our journey took us across Wyoming and Montana, kicking off with the much-anticipated Family Ride and Campout in Montana's breathtaking Ruby Valley. With Courtney Bancroft at the helm, we soaked in stunning scenery and perfect weather, then wrapped up each day around the campfire – sharing stories, great food, and lasting memories as our kids reveled in the joy of summer.

As summer unfolded, we engaged in multiple single-track intermediate rides within the Bridger-Teton Forest, alongside beginner rides for side-by-sides and dirt bikes in the Caribou National Forest.

**International Women's Ride Day:** On May 4, Eva got the gang together and hosted International Women's Ride Day. Fun times echoed through the Palisades as the ladies cruised around on the lake bed, through some ATV trails, swapped stories, and cheered each other on. Susan's patient coaching led to a triumphant moment – by sunset, Ginny was confidently cruising solo on a dirt bike. With Cat and Eva encouraging Ginny every step, the group turned a simple ride into an epic adventure packed with camaraderie, empowerment and pure joy.

**Let's Talk Service Projects:** Contributing to our local communities and public lands is essential for ensuring future access to our national forests. At the end of August, we held our annual service project. Our project took place at The Box Y Lodge, where we cut, split, and stacked approximately five cords of wood for Tim and Cindy, the lodge's proprietors, located in the Greys River Mountains of the Teton Bridge Mountain Range. During the winter months, their lodge is only accessible by snowmobile. As they prepared for the upcoming winter season, we offered our assistance as a gesture of gratitude for their support of our annual Women's Box Y overnight rides over the past four years. We had the privilege of presenting them with some photos we had taken of Tim and the crew during our last trip in January. To round out our service project, we enjoyed another amazing dinner and stayed in one of their large cabins. After completing our work, we took the opportunity to explore the newly rebuilt Blind Bull access road, which will make a significant difference for Tim, allowing him to take the groomer up there in the winter.

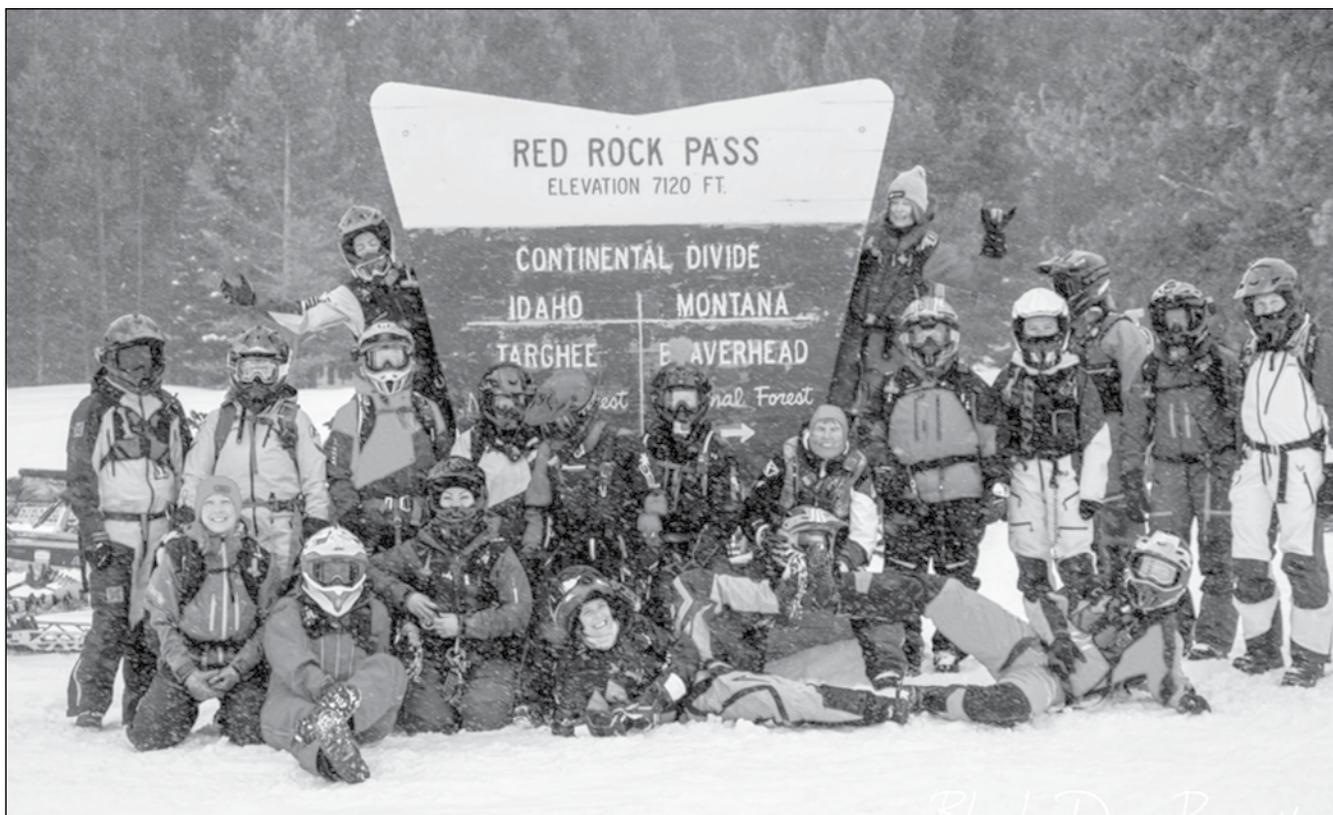

**New Board, New Faces:** As with any board, all of our positions came up for re-election, and we had several positions for which we held nominations, followed by elections. We have our elections in the early fall, which is our “quiet” time of the year, so that we can get everyone into the swing of things before winter is upon us.

We now have a new Club President, secretary, as well as several board members at large! Please help us in welcoming our new board members this season! President: Courtney Bancroft; Vice President: Janice Enos; Treasurer: Cat Roberts; Social Media: Eva K.; Board Members at Large: Margaret Laporte, Stephanie Driskell, Natalie Zuech, Mickey Russell, Susan Johnston

**Stewards, Another Year, Another Amazing Group of Women:** Have you heard about our stewardship program? This is a year-long commitment that is custom-tailored to each woman selected by the board to help spread the word about Rev It Up Girls, as well as support our social media presence and in-person events. We selected our new Stewards for the year at the end of July, and we have three amazing women who will not only assist us with social media content throughout the year but will also be present at our events and provide additional support.

Please help welcome: Brook Unger, Afton Thompson, Ashley Morrill

## Rev It Up Girls

### SCHEDULE OF EVENTS

SUMMER/WINTER 25-26

**SUMMER 2025**

- July 25-26 → Family Camping at Cottonwood Campground (Side By Sides/Jeeps/Quads)- Alder, Montana
- August 2nd → Salt Float at Salt River- Star Valley , Wyoming
- August 23rd - 24th → BoxY Service Project & Leadership Retreat- Alpine Wyoming

# 307 Riders

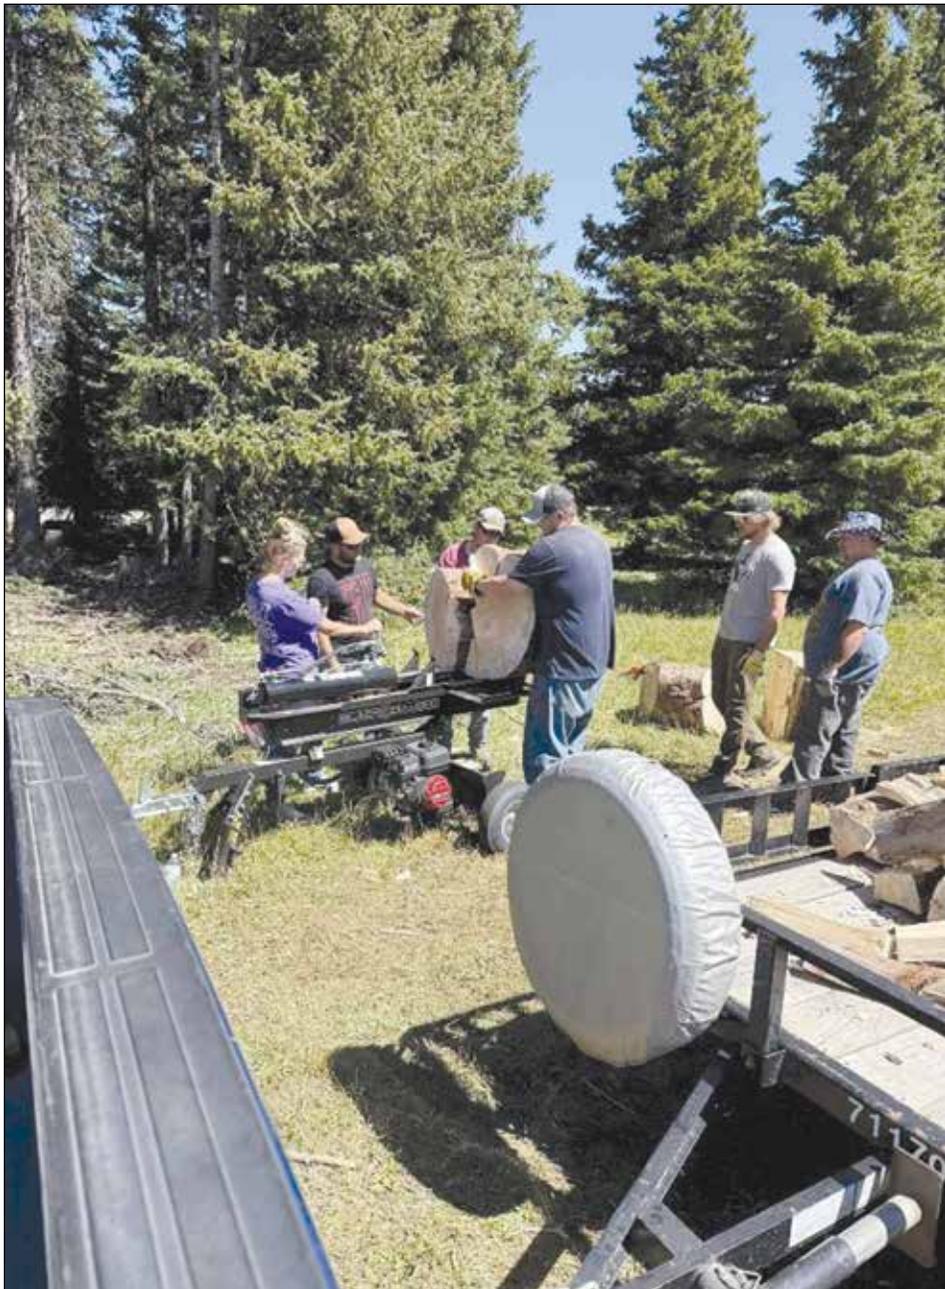

**BRANDON KLEMM**

Hello to all my fellow members and sledders. We have all been busy getting ready for the season and getting our shelters stocked and ready to go. The 307 riders decided to try an august camping trip and wood cutting day this year to try to beat the fall rush and lack of time most of us run into. It was a good time and sleeping on the mountain made the morning much easier than leaving Gillette at the normal 5 a.m. time to get something accomplished. With a decent crew we were able to get all our wood cut and split in one day. We plan on using side by sides to get firewood back into our Paint Rock shelter this season and hopefully that happens soon because it feels like winter could be hitting earlier this season.... "I HOPE so"

With the above information being stated id like to thank the state trails program for refurbishing our shelter at the Paint Rock station. This helps us a lot in not having to make time to get people to build a completely new shelter from the ground up. From what I have seen, it looks new and will last for another 25 years of safety use and a general warm-up stop. A huge thank you to the state trails program for getting that accomplishment knocked out for us!

By the time you read this our WSSA outreach raffle should be in full swing. I'm proud to be a part of this stage and help contribute to a fairly new program. I stand behind it because I think these influencers, pros, and general media people we are going to target are the ticket to hopefully reach our 16-25 age group! This raffle should pretty much sell itself and there will be three lucky winners in the pursuit of raising money! I would like to thank Bert and Brenda Miller and Justin Madden for helping put this raffle together with me!

Stay safe, hunt your elk and deer, and let's embrace fall because winter is going to dropkick Wyoming this year!

# Top of the Rockies

ALEX SINCLAIR

Greetings y'all!

I have been thinking of what to write about this month. Snow isn't here yet. We held our first bingo of the year last night with the American Legion, which was a moderate turnout. We are waiting until after hunting season to start bringing out safety shelters, and last month's article was exceptionally written and covered almost everything we did this summer.

So, I would like to take a minute and do a little bragging about the people I get the privilege of working with to steer this ship we call Top of the Rockies. As President, I know that our club only succeeds with the help of volunteers, and I have some of the best!

Our Vice President, Andrea, wears many hats. Town councilman, Rotary Club, Food pantry board to name a few. To call her busy would be an understatement, yet she always seems to find time to help out!

Our Treasurer is Alana. Her organization and planning skills, in my opinion, are legendary. Always thinking ahead. Planning for next year, the day after the event. Our Treasurer is a treasure. Did I mention she has a very infectious laugh?

As in most cases, where you have a club member, you also have their spouse. That is true here as well. Cheryl and Frank. Secretary and Board Member. She keeps track of all we do. Minutes and emails to keep our club informed and on time. He is ex-town counsel and always willing to help however needed. Flipping burgers, or motions to adjourn. This power couple can be counted on!

Our three remaining board members are exceptional as well. Justin, Floyd and Heath. Past President, multiple club member, district rep, and ex-town council. Justin has practically done it all. Floyd and Heath are multiple club members and always willing to lend a hand.

This group of individuals go out of their way to strengthen our club and community. This is my way of saying Thank You for all your hard work throughout the year. Being a volunteer has its rewards. Being recognized for your hard work isn't always one of them.

I hope to see you all out on the snow this winter! Have Fun and Be Safe!

## Deadline for the next Wrangler will be Nov. 3!
